COMMENTS OF TEJAS BROADCASTING LTD., LLP

Tejas Broadcasting Ltd., LLP, licensee of FM broadcast station KMJR (Channel 252C2), Odem, Texas, filed a Petition for Rulemaking ("Petition") on December 10, 2012 requesting the substitution of Channel 291A for vacant Channel 252A at Matagorda, Texas. The purpose of substituting Channel 291A for vacant Channel 252A at Matagorda, Texas (as was demonstrated in the Petition for Rulemaking) is to upgrade the allocation of FM broadcast station KMJR, Odem, Texas from Channel 252C2 to Channel 252C1.

The Notice of Proposed Rulemaking was released on March 1, 2013. The Comment filing date was April 22, 2013. No Comments were filed – other than the Tejas Comments.

A Minor Modification of License Application for station KMJR was also filed on December 10, 2012 and is in a pending status, subject to the grant of the Petition for Rulemaking (BMPH-20121210ACB). Upon grant of the Petition for Rulemaking, Tejas

will notify the Commission Staff of the grant in order that review and finalization of the pending Minor Modification of License Application will go forward. Upon grant of the Minor Modification Application Tejas will construct and operate the facility consistent with the Construction Permit. As is evident, Tejas has a continuing interest in pursuing the upgrade of station KMJR.

Respectfully Submitted
